

Always Improvement

:Kaizen Champions Creed

:K.C.C.

We are Champions and Champion Builders, With over 30 years of experience;
We have been building Champions for a long, long time.

We are a Champion Program and know how to build Champions;
We do everything possible to win, win, win,
Anything we do we are building a Champ,
We are Champion Builders.

Winning starts with beginning; Once we start something, It's half done,
With clear communication, We create a plan to identify areas of need,
Setting realistic goals to achieve; We will have a clear vision to stay on track,
Accessing supports and exercising patience,
We focus on progress, not perfection.

Training in discipline, repetition and intensity; Being firm with you,
Building great habits, Of confidence and courage, To accomplish your will;
Placing the world at your feet, We practice no defeat.

We may fall, we may stumble, We might bend to absorb pressure;
When we get likx, We will not break, Like the Phoenix, Together we will rise;
We aim for the top of the pack, We will not stop,
All we do is win, win, win, We don't do anything to hold us back;
We build from within, and that's a fact, We are Champion Builders.

We Champion Build with great attitude and gratitude; We are a Champion of Champions,
I am a winner, You are a winner, We are all winners,
With a Champions mindset, Everything we do, we do to win; Win, win, win is what we do,
Champions win.

Being a Champion; With a Champions attitude,
With integrity, We Champion the cause, The Champions way.

We are Champions, Champion Building,
Always in Improvement,
Having a Champions Will. Knowing that
Attitude is Everything;
We Champion build, The **:Kaizen Way,**
5P's Engaging in
Proper Preparation to Promote Positive Performance.
